**Summer Break**  
**Junior Golf Clinic**  
**Little Linkster Approved**  
July 7-10 8:00 -11:00

Come join us and introduce your children to one of the fastest growing sports today. Your children will be instructed by PGA professionals in all aspects of the game such as chipping, pitching, putting, full swing as well as rules and etiquette. Come and join us for the game of a lifetime.

There will be a limited participation of students. We believe this will benefit the students, creating more one on one instruction. There is also a new age limitation of between 6 and 12 years old.

The fees for the clinic will be \$100 per student. The class will be based on the first 24 paid entries.

Entry must be accompanied by payment. No phone entries.

This clinic also serves as a STPGA Little Linkster Qualifier
